Subject: Poster Review for Minneapolis Biomarker Meeting next week

Attached is my current list of abstracts which have been accepted for poster presentations at the Biomarker meeting next week.

To date, Rick has only reviewed one poster. Therefore, it is your responsibility to get to me by tomorrow COB (Oct. 17), a copy of your poster which you plan to present next week. These will be reviewed by Rick's staff on Thursday and comments/feedback will be sent to you on Friday.

The two posters which were presented in Brisbane do not have to be re-reviewed.
